Report

Apart from the academic curriculum of the students, the college has organized an hospital visit for the students to improve their practical knowledge to bridge the gap between curriculum and practical aspects of hospital. The college encourages the Diploma students to visit the Dr. Minoo Mehta Hospital, Narayangaon, Junnar, Pune. The college organized the visit to this centre for various detailed presentations about the role of the pharmacist in hospitals like the ICU, Consulting room, semi-special room, and pathology labs.

The visit started at morning 10:00 am along with 65 students. We reached Dr. Minoo Mehta Hospital Narayangaon, Junnar, Pune. at 11:00 am. After reaching the hospital, we had interaction with Dr. Sadanand Raut & Dr. Pallavi Raut. The students and staff were extended a warm welcome by team members of "Dr. Minoo Mehta Hospital Narayangaon, Junnar, Pune". The students were received and then taken to different departments of the Hospital like the ICU, Consulting room, semi-special room, General wards, OPD, and Pathology labs.

A detailed explanation regarding each department was offered by Doctors and their team members during the visit. They run Mission – Zero snake bite death. They gave vast information and knowledge about four main species of snake and primary care before and after a snake bite. This was followed by a detailed presentation about the role of pharmacists in primary health care in snake bites. Dr. Pallavi Raut gave a demo on how to apply compression bandages after a snake bite in a proper manner to our students. Dr. Sadanand Raut shared the information regarding various antidotes and doses according to age, weight, and sex. Then students asked some questions to the Patients who were suffering from snake bites. At last, the students thanked Dr. Sadanand Raut & Dr. Pallavi Raut & all department, staff members for their co-ordination and co-operation

The students also had an opportunity to observe the Hospital with special precautions. Overall, the visit was informative and memorable. To put it into a nutshell, they came to know about the role of pharmacists in the overall management of the Organization.

After visit students, the faculty of "Dr. Minoo Mehta Hospital Narayangaon, Junnar, Pune". was impressed with the curiosity of our students to learn the health process at centers. The students

were also escorted by accompanied faculty such as Ms Dhobale A.D., Ms Waykar P.P., and Mr. Gajare A.N. The students were very happy and felt enriched by the hospital visit of "Dr. Minoo Mehta Hospital, Narayangaon, Junnar, Pune".

Out Come: Hospital visits serve as an excellent platform for students pursuing higher education, bridging the gap between mere classroom learning and the actual work conditions. These visits provide a holistic education, equipping students with not only technical skills but also essential life skills necessary for success in the modern workforce.

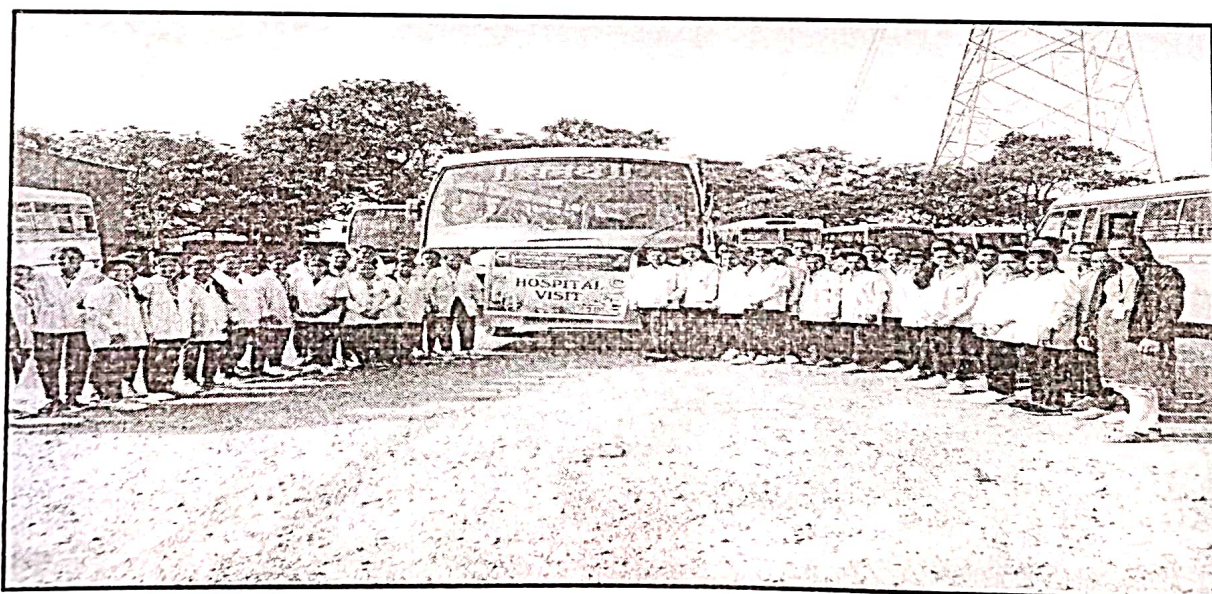

This visit can be a powerful tool to help healthcare organizations improve their processes and streamline their operations.
