Report

Apart from the academic curriculum of the students, the college has organized an hospital visit for the students to improve their practical knowledge to bridge the gap between curriculum and practical aspects of hospital. The college encourages the Diploma students to visit the Samarth Ayurvedic Hospital And Research center, Belhe, Junnar, Pune. The college organized the visit to this centre for various detailed presentations about the role of the pharmacist in hospitals like the ICU, Consulting room, semi-special room.

The visit started at morning 10.00 am along with 46 students. We reached Samarth Ayurvedic hospital Belhe, Bangarwadi. After reaching the hospital, we had interaction with Dr. Ramesh Padekar. The students and staff were extended a warm welcome by team members of Samarth Ayurvedic Hospital and research center Belhe, Junnar, Pune. The students were received and then taken to different departments of the Hospital like the ICU, Consulting room, semi-special room, General wards, OPD, Panchakarma ward, Gynac section.

A detailed explanation regarding each department was offered by Doctors and their team members during the visit. They gave vast information and knowledge about all the wards and departments the main purpose of Ayurveda and role of pharmacist in each department with all the ethics. The staff of hospital gave some demo about counselling of patients. Then students asked some questions to the Patients who were suffering from some illness or symptoms. At last, the students thanked Dr. Ramesh Padekar and staff members for their co-ordination and co-operation.

The students also had an opportunity to observe the Hospital with special precautions. Overall, the visit was informative and memorable. To put it into a nutshell, they came to know about the role of pharmacists in the overall management of the Organization.

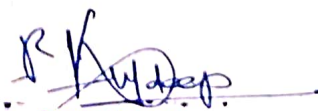

After visit students, the faculty of Samarth Ayurvedic hospital and research center, Belhe, Junnar, Pune was impressed with the curiosity of our students to learn the health process at centers. The students were also escorted by accompanied faculty such as Ms Ladda V.S, Ms Jadhav A.M. The students were very happy and felt enriched by the hospital visit of Samarth Ayurvedic hospital and research centre, Belhe, Junnar, Pune.

Out Come: Hospital visits serve as an excellent platform for students pursuing higher education, bridging the gap between mere classroom learning and the actual work conditions. These visits provide a holistic education, equipping students with not only technical skills but also essential life skills necessary for success in the modern workforce.

This visit can be a powerful tool to help healthcare organizations improve their processes and streamline their operations.
